Do

- Use the three-bar mark + SnapServe wordmark from this kit
- Keep product UI ink / white
- Reserve saffron / teal / indigo for marketing
- Keep SnapServe first when co-branding with Sarvam
- Clear space ≥ ½ mark height; min mark 16×16 px (prefer 20–24)

Don’t

- Use the green logo.svg placeholder
- Stretch, skew, or rotate the mark
- Recolor bars arbitrarily
- Write “Snap Serve” as two words
- Stack competing logos above SnapServe
