8. KEY POLICY TERMS GLOSSARY

Sum Insured (SI)
The maximum amount the insurer will pay for all claims in a policy year.

Cashless Claim
Policyholder receives treatment at a network hospital without making upfront payments; Galaxy Health settles directly.

Reimbursement Claim
Policyholder pays hospital and then submits documents to Galaxy Health for repayment of eligible expenses.

Waiting Period
The period after policy purchase during which certain benefits cannot be claimed. Common types: initial waiting period, specified disease waiting period, pre-existing disease waiting period.

Pre-Existing Disease (PED)
Any condition diagnosed or treated within a defined period before the policy purchase date. Covered after the PED waiting period.

No Claim Bonus (NCB)
Reward for a claim-free year: either an increase in Sum Insured or a discount in premium.

Cumulative Bonus
Increase in Sum Insured for each claim-free year; resets or reduces upon a claim. Galaxy Promise offers up to 500%.

Co-payment
A fixed percentage of the claim amount that the insured must pay out of pocket. Lower co-pay = higher premium.

Sub-limit
A cap on the claim amount payable for a specific treatment or service category (e.g. room rent, cataract surgery).

Deductible
An amount the insured must pay first before the insurer starts paying. Higher deductible = lower premium.

Network Hospital
A hospital that has a tie-up with Galaxy Health for cashless treatment. Bills are settled directly.

Preferred Partner Network

A subset of network hospitals where Galaxy Health may offer additional discounts.

Day Care Procedure

Medical treatment or surgery completed within a day (no overnight stay required due to medical advances).

AYUSH

Alternative medicine systems: Ayurveda, Yoga & Naturopathy, Unani, Siddha, Homeopathy. Covered at authorised facilities.

Restoration of Sum Insured

Re-instatement of the SI during the same policy year after it is fully or partially exhausted by a claim.

Premium Waiver

Facility where the insured is exempt from paying renewal premium for a specified period following an adverse event (organ donation, critical illness, accidental death).

Room Rent Enhancement

A feature that removes or increases the sub-limit on room rent, allowing the insured to choose higher-category rooms.

Hospital Cash Benefit

A fixed daily cash allowance paid to the insured for each day of hospitalisation (beyond 24 hours).

Rider

An optional add-on cover purchased alongside the base policy to expand the scope of coverage.

UIN

Unique Identification Number assigned by IRDAI to each insurance product for regulatory tracking.

IRDAI

Insurance Regulatory and Development Authority of India – the statutory body regulating the insurance sector.

ABHA

Ayushman Bharat Health Account – a digital health ID linked to medical records.
