Who's guiding you, and the value they bring.

VANDE BHARATAM

The Problem

1. State the core problem in one sharp sentence.
2. Who suffers from it – and how do they cope today?
3. Why it matters: the cost of leaving it unsolved.

KEY STAT

“[X]% of [target users] experience this problem.”

The Solution

[Product / Service Name]

Write 2–3 sentences on what your product does and how it works. Focus on the USER – what can they now do that they couldn't before?

- **Benefit 1 – what the user gains**
- **Benefit 2 – another gain**
- **Benefit 3 – one more**

Product / Service – How It Works

HOW IT WORKS

1. **Step 1** What the user does first.
2. **Step 2** What happens next.
3. **Step 3** The outcome they walk away with.

Business Model

Who pays?

Describe the customer. e.g. 'College students 18–24' or 'Corporate HR managers'.

How they pay?

Subscription ₹X/mo, one-time purchase, freemium, commission %, etc.

Revenue per customer?

How much one customer spends? e.g. '₹499/month' or '₹2,000/year'.

Unit economics

Cost to acquire a customer (CAC) vs. value they bring (LTV), and your gross margin.

Revenue streams

Your primary stream today – and the streams you'll add as you grow.

Key Risks & Mitigation

RISK 1

Your single biggest risk — market, execution, team, or competitive.

HOW WE'LL TACKLE IT

The concrete step you're already taking to reduce it.

RISK 2

A key assumption or dependency that has to hold true.

HOW WE'LL TACKLE IT

How you'll de-risk it — or your plan B if it doesn't.

RISK 3

A regulatory, financial, or operational risk you foresee.

HOW WE'LL TACKLE IT

How you'll monitor it and respond early.
